Dear nasimaperfume@gmail.com,

Congratulations! Your **payment** is on the way and will arrive within 3 - 5 business days.

On 07/27/2018 we initiated a transfer to your checking account (ending in 738) in the amount of \$3505.62.

If the amount is less than expected, here are a few questions to consider:

Do you have an unavailable balance? Amazon might be reserving money to cover potential returns, claims, or chargebacks from buyers. If this is the case, the closing balance in your **Payment** Report will display the unavailable balance that is reserved.

Did your sales cover all fees and returns for this statement period? The **payment** amount reflects sales activities, selling fees, and fees for promotions or services. We recommend reviewing your **Payment** Report under the Reports tab in Seller Central to understand your closing balance.

We wish you continued success!

Thank you for selling on Amazon,
